Bilingualism is a Gift!

- Cognitive benefits
- Social-emotional benefits
- Learning benefits
- Global benefits

Commonly asked questions:

- Do we need to speak English at home?
  Answer: Use the languages most comfortable for you!

- But my child has a language delay...
  Answer: Children with delays CAN learn more than one language.

- Will my child be confused?
  Answer: Your child will not be confused! Children's brains are flexible.

Use your home language everyday in everything you do!

- Read
- Play games
- Cook
- Solve problems
- Sing
- Observe nature
